4. CHAMPIONSHIP FORMAT

- 4.1 The 2017 United States National Snooker Championship will be played using an initial Round Robin Group phase with the qualifying placed players from each Group advancing into the Single Elimination Knockout phase of the event.

- 4.1.1 The following order will determine the final Group positions:

1. Highest number of match wins
2. Best frame difference
3. Most frames won
4. Winner of Group match (between contending two players)
5. Best group match differential (between contending players involved)
6. Highest break(s) as written and signed for on the score sheet (please note: unstated high break(s) will not be considered)

N.B. * Subject to the number of entries.

- 4.3 A complete match schedule will be produced after the closing date of entries [see Rule 5.1].
- 4.4 The USSA will seed players, one per group, based on the previous three Championship performances, who will be entered into the Group draw accordingly with the defending champion seeded at number one (subject to their participation).
- 4.5 All other players will be drawn into the Groups at random, which is to be conducted in public during the Championship cocktail party at the NYAC after the Players' Meeting [see Rule 1.2.1].
- 4.6 Once the draw has been made, the Tournament Director, if necessary, will only be permitted to make changes if there are any player withdrawals prior to the start of Group play to even the group numbers.

5. CHAMPIONSHIP RULES

- 5.1 The USSA appointed on-site Tournament Director will solely be responsible for the running of the Championship, and will do so at their discretion in accordance to these Rules. All players must respect the final decision of the Tournament Director. The Tournament Director will also compile the match schedule after the closing date for entries, which all players must observe.

6. PLAYER MATCH ATTENDANCE

- 6.1 Players are strongly advised to insure that should they wish to enter the Championship, they make themselves available for the whole duration of the event.
- 6.2 All players are expected to be in attendance and ready to play at the start time of their matches. Because of time constraints under no circumstances, even beyond a player's control, will any match be re-scheduled.
- 6.3 During the Groups phase of the Championship:
 - 6.3.1 Matches will be played in an order determined by the Tournament Director and on the next available table. Upon request, the Tournament Director will provide a "no earlier than" time for a particular match so a player may plan a meal or comfort break.
- 6.4 During the Knockout phase of the Championship:
 - 6.4.1 Matches will be allocated tables and commence at a scheduled start time.
 - 6.4.2 If a player is not in attendance at precisely their scheduled start time, that player will forfeit one frame.
 - 6.4.3 If a player is still not in attendance after precisely 30 minutes from their scheduled start time, that player will forfeit two frames.
 - 6.4.4 If a player is still not in attendance after precisely 50 minutes from their scheduled start time, that player will forfeit the match and be withdrawn from the Championship [see Rule 7.2].
- 6.5 Players will not be permitted to take any unnatural breaks during matches. Bathroom breaks will be the only exception, though players must inform their opponent and return in a timely manner.

7. WITHDRAWAL OF ENTRY AND PLAYER

- 7.1 Please inform the United States Snooker Association as soon as possible should you wish for any reason to withdraw your entry prior to or during the Championship [see Rule 2.3]. Failure to do so may result in a disciplinary procedure of suspension to enter future Championships or USSA Tour events.
- 7.2 Should the withdrawal of a player occur during the Groups phase, all previous match results will become null and void. Should the withdrawal of a player occur during the Knockout phase, that player's opponent shall receive a walkover into the next round, or be awarded the title should that be the final match.

8. SNOOKER RULES

- 8.1 The official snooker rules as defined by the World Professional Billiards & Snooker Association (WPBSA) and the International Billiards & Snooker Federation (IBSF) will be upheld [also see Rule 9.1.2], with the following Championship condition enforced:
- 8.1.1 During the Round Robin Group play **only**, once all the red balls have been pocketed and just the colored balls remain on the table, if a player on their next visit to the table then requires **four** or more snookers to the value of the "ball on", that player will then be obligated to concede the frame or their opponent will be permitted to verbally claim the frame at the end of their visit to the table.
- 8.2 A copy of the official rules can be downloaded from the WPBSA website at:
www.wpbsa.com/sites/default/files/uploads/official_rules_edited_05.11.14_web_version_1.pdf
(PDF format)

9. REFEREE ABSENCE

- 9.1 When a referee is provided all official rules will be enforced. In matches without an assigned referee, the following will apply:
- 9.1.1 The non-striking player must spot the pocketed colored balls for their opponent and keep an audible running total of the break compiled.
- 9.1.2 When snookers are not required by a player, failing to escape from a **full-ball** snookered position will **not** be called a compulsory "*foul and a miss*", however, in the spirit of the game, a player must to the best of their ability endeavor to hit the ball on. However, failing to make contact with a ball on in a non-snookered position (a player can make contact with a full-ball on) must automatically be called a "foul and a miss", and the non-offending player will have the option of having the balls replaced in their original positions with the agreement of both players.
- 9.2 In the event of a contentious situation, an independent decision must be called upon. Please consult the USSA appointed Tournament Director.

10. SCORE SHEETS

- 10.1 Players will be required to complete and sign a score sheet for each match played.

11. DRESS CODE

- 11.1 In keeping with the prestige of the Championship, the IBSF dress code standard will be enforced. A long sleeve shirt buttoned at the wrist, vest, bow tie, dress pants and dress shoes must be worn by the players for all Championship matches. No short sleeve shirts, jeans, sneakers or other sporting or casual wear will be permitted.
- 11.2 Players must also comply with the dress code of the NYAC when entering the building and in the Billiards Room: www.nyac.org/dress-code
- 11.2.1 Gentleman: Jackets are optional in most areas. Slacks, a collared shirt, and dress shoes are permitted. Shirts must be tucked in. Jackets are required in the Main Dining Room and Cocktail Lounge.

12. CELL PHONES

14. PUBLICITY

- 14.1 If required, players must be available for interviews and photographs in the interest of publicizing the Championship.
